and Themed
Concerts**

Themed Concerts

We can help you plan and undertake a themed concert. Concerts can be arranged for anytime of the year, such as a Christmas concert with the whole school singing, West End show stopper concerts with the latest theatre hits for all ages or a simple Harvest Festival incorporating festive songs.

All you need for this to take place is a piano or keyboard at your school and we will send a vocal teacher to come work on the songs with you and accompany your students in the concert. We will send you the lyrics, piano vocal music in advance, and backing tracks if required.

The 10 steps to putting on 'A Musical in a Day'

1. Contact a staff member at the Ayresome Music Hub and choose a show which best suits your school.
2. Within a week, we will send you 20 student copies and 2 staff copies of the script and 1 piano vocal score.
3. It is up to you to cast the show within your school.
4. Best practice suggests you spend 2 weeks looking over the songs and lines, they do not have to be perfect!
5. WE ARRIVE!!
6. We will meet the cast in the morning and sing through and polish all the songs.
7. We will then set the basic movement and acting for the show.
8. We will then run the show through.
9. Remember you will need a projector and screen to display the words and lyrics at the back of the hall.
10. It's show time!

Questions & Answers

How much will the day cost?

We provide the most competitive price in the Tees Valley area at only £350 for a Musical in a Day or only £210 for a themed concert.

When can we have this event take place?

The workshop can take place throughout the year. We can try and provide a show or Themed Concert that fits with a topic you are studying.

Is there a number limit?

No, you can have as many or little pupils participating in the workshop. Contact us to find out the best number for the Musical in a Day workshop.
